BRODNAX TO LA CROSSE ITINERARY

Roundtrip 6.6 miles

- *Park at the intersection of Highway 58 and Regional Airport Rd in Brodnax, VA 23920.*
- *Head West down the trail towards La Crosse. This hike/ride is a 3.3 miles. This is a smooth easy walk for families and those unaccustomed to hiking. Your journey will take you by the regional airport and into the woods. You will also pass an abandoned tobacco barn near the regional airport. These remains stand sentinel to tobacco farming in Southern Virginia. At this point expect to see wild turkey, deer, squirrels, rabbits, butterflies and the occasional snake. Please be respectful of all wildlife. Eventually you will pass town businesses, churches, and residences and emerge in the Town of La Crosse.*
- *Check out the Visitors' Center in the renovated La Crosse Hotel. There you'll find a trail map, information about tobacco farming history of Southern Virginia and available handicap accessible restrooms and water fountain.*
- *Take some family photos at the antique caboose in the center of town.*
- *When you return to Regional Airport Rd, just 0.3 miles East down the trail you will reach the end of the off-road section of THT. A short distance from the trail is a native icon, Whitby's Store. Pay a visit for summer fresh produce, locally canned pickles and jams or an ice cold soda! A home-grown peach will hit the spot after a hot day on the trail.*
